Why YuMOVE Skin & Coat Support?

Your vet has recommended YuMOVE Skin & Coat Support because they feel your dog may benefit from additional support to keep their skin and coat healthy and comfortable.

How do I give YuMOVE Itching Dog and YuMOVE Moulting Dog to my dog?

YuMOVE Itching Dog and Moulting Dog are oil-based food toppers, so they're easy to add to your dog's daily routine. Simply pump the recommended amount onto their breakfast or dinner or add it to a lick mat with their favourite treat.

How do I give YuMOVE Boost to my dog?

YuMOVE Skin & Coat Support Boost is a powder food topper. Simply sprinkle the recommended daily amount over your dog's food and mix.

How long do YuMOVE Skin & Coat products take to work?

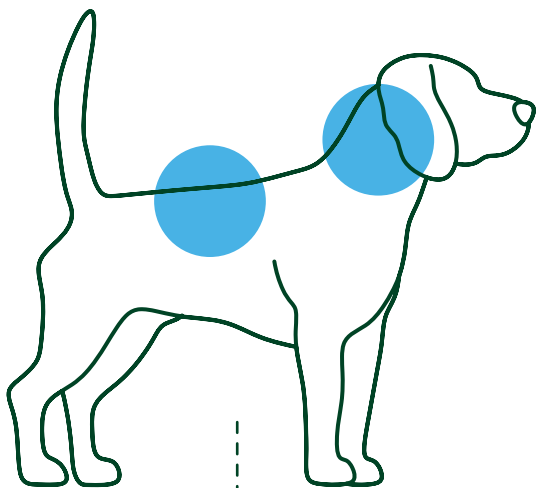

With consistent feeding, you should see a difference in 3-6 weeks. If we don't, we'll give you your money back.[†]

What's the difference between Itching Dog and Moulting Dog?

Both products support healthy skin and coat, but they're designed for different needs. Itching Dog helps soothe sensitive skin and reduce itching and scratching, while Moulting Dog helps reduce excess shedding and supports healthy coat condition and growth.

Itching Dog

A blend of premium oils soothe itchy, sensitive skin, keeping your dog comfortable from their morning stretch to their evening snooze.

Helps with scratching & keeps skin comfortable with **Omega-6s** from **Borage Oil**

Soothes sensitive skin with high levels of **Omega-3s** from **Algal, Flaxseed & Fish Oils**

Nourishes skin from within, while **Vitamin E** helps support the skin's natural defences

Suitable for dogs age 8+ weeks

Consistency is key

For the best results, follow the daily feeding guidelines. Missing or skipping days may reduce results.

Size of your dog	Daily amount
S (up to 5kg)	1 pump
S (6 - 10kg)	2 pumps
M (11 - 20kg)	3 pumps
L (21 - 30kg)	4 pumps
L (31 - 40kg)	5 pumps
XL (over 40kg)	6-8 pumps

Each pump provides an average of 2ml. Do not exceed more than twice the daily recommendation.

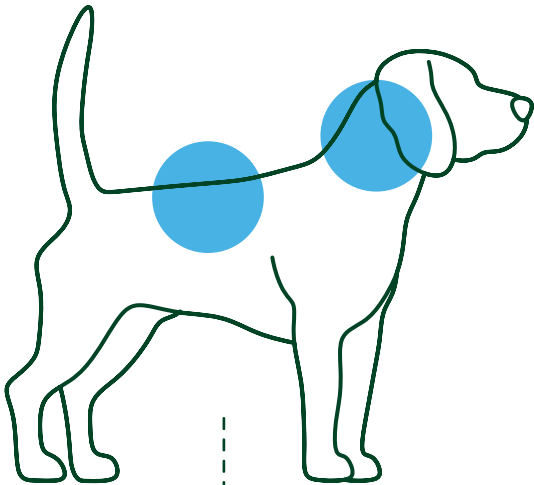

Feeding tip

Pump the recommended daily amount onto your dog's food or add to a lick mat with their favourite treat.

Moulting Dog

Our premium, cold-pressed oils are proven to help reduce excess moulting while nourishing and replenishing skin.

Helps tackle excess moulting, with premium cold-pressed **Golden Flax & Borage Oils**

Nourishes skin from within & helps support the skin's natural barrier, with **Omega-6s** from **Borage Oil**

Supports a beautiful, healthy coat with a rich source of **Omega-3s**
